- 8 Ohms or 70 Volts
- 15 Watts to 100 Watts
- 360° Dispersion
- With or Without Lights

ESTABLISHED 1978  
[www.owi-inc.com](http://www.owi-inc.com)

There is no better way to set the visual or accoustical  
 ambiance of a garden landscape, courtyard atrium,  
 pool/patio area, or other outdoor/indoor setting than  
 with an OWI Ladscape Garden Speaker. This speaker  
 adorns without detracting from its environment.  
 Producing 360° of sound and optional low voltage  
 lighting adds to the beauty and style of the Landscape  
 Garden Speaker. Designed and made in the U.S.A., the  
 Landscape Garden Speaker is built to withstand more  
 than 250 pounds of standing weight, and comes UV-  
 light resistant, bug, puppy and lawnmower proof. Each  
 Garden Speaker can also be secured against most theft.
